

TESTAMONIALS

‘As a training provider who sub-contracts to an LSC provider, we find the information and guidance we gain from being a member of the GW partnership invaluable. Keeping at the forefront of the updates and changes which are requirements of funded training means we provide a professional and responsive service to our funding partners and most importantly, our candidates.

‘Excellent information sharing!’

‘It is really valuable having the GWP network so that providers in the area can get to know each other and work together on various projects.’

‘I think the GWP network is a great place to pick up vital information in these difficult contractual times.’

‘Membership renders the WBL and funding jungle more friendly and less impenetrable.’

‘I believe that GWP is a good conduit to the LSC / LEA and should be used more effectively. It has grown particularly over the last year and I see further potential.’
